“ *Uncle Harold is the reason I have the nickname Twinkie he would not ever call me by my real name he is also the man that stood up and said he'd walk me down the Isles when I got married the first time. And the whole time we walked he kept telling me, Its not to late to turn around he said that all the way down lol. I wasn't close with him after I got older but I sure did look up to him when I was little. I love you, you will be missed.*
