“ This world has lost a kind and loving soul, one who always thought of others before her own self be it with a hug,a kind word of encouragement or guidance.

She imparted great wisdom to me...I am gratefull that I took to heart to both hear and listen to what she had to impart. I shall miss her wisdom most of all. Go with GOD.

“ To lose a mother creates an unending void. Her love never ends but she will be forever missed. I hope you can remember the good times, the sweet times, those times that bring laughter through tears. These are the moments that take our breath away.
