“ Growing up and hanging out at the Pool and with friends at Cedar Hill Lakes would not be as fond of a memory if it didn't include Helen Maloney. She treated me like one of her own as she did many others and kept us out of trouble. I will never forget running late for Jr Bowling coming in Lake 2 entrance and going out Lake 1 entrance encountering a solid sheet of ice and turning the Guard Shack into a garage with my Firebird. Many were up in arms about it but she went to bat for me citing there should have been salt there and the shack was slated to be torn down anyways. Rest In Peace old friend I know there will be a star burning brighter in the Sky..
