“ Words cannot describe how saddened I am by the loss of a cousin who had such a zest for life and a one of a kind sense of humor. I wholeheartedly believe that Clint is in heaven pain free and is with us all for eternity. I will pray for my aunt Betty, whom I love like a sister, Scott & Brandi and the girls, and Alan & Chip. I love you all and wish I could be there to give you a big hug. We can't begin to understand why God needed Clint, but obviously his presence was needed more in heaven than it was on earth. RIP dearest Clint.

“ I use to tease her all the time about Wayne Beau. She would start going on about how she would never like him, lol. I got a kick out of teasing her about it. It always brought a smile to her face and made her giggle.
