“ I am sharing a poem that a friend gave to me during this difficult time: I lived my life inside you, cocooned in all your love. So mamma, papa please don't cry, I'm still with you up above. I felt your every heartbeat, It's my sweetest melody, and for every heavenly bedtime, the angels play it back for me. I know how much that I am wanted, I feel so very blessed, of all the mothers in all the world, I got the very best. You think of me in all your waking hours, and on those sleepless nights, just look out the window and you'll find me; the brightest star, the most beautiful light.

“Those we love don’t go away. They walk beside us every day. Unseen, unheard, but always near. Still loved, still missed and very dear.” Even though you’re not here with me, you’re in my heart. I will never forget you baby girl. I love you so much. Forever and always.
