I've only known you for a very short time but I enjoyed the gathering at your house. You and I share the same "family" that of the United States Marine Corps. Tell your Husband I said "Semper Fi". Donna M. Neff

“ *I cherish the times we spent together and will miss our neighborhood get togethers. We are all so sad to lose our dear Jean. Your loss leaves such a void. Rest in Peace dear friend and know how much we loved you.* ”

Saying goodbye to a super good friend is awfully hard. I treasure the hours we spent together. When I moved out here, to High Ridge and she and Bob decided they needed a place to live they joined me across the street. It has been wonderful spending all of the time we did together out in High Ridge. She will be desperately missed by myself and a lot of others. I love you Jean, and pray that you and Bob are now together again. You will be missed.

How do you say goodbye to someone you've known your whole life - it was one of the hardest things I have ever done. You were always there for all the special times of my life and the kindest, sweetest person I know. You will always hold a special place in my heart. I love you and will miss you forever Itha Jean.
