Jack A. Gilbert, a man who was cherished and loved by many. A man of few words with a wealth of knowledge and advice. His passionate soul found solace in the outdoors where he enjoyed biking, kayaking, fishing, spending time at the gun range and sometimes just sitting outside having a couple beers just "watching the world go by".

After 32 years of employment as a tool and die maker at Sunnen Products, Jack moved to Koshkonong, Missouri to peruse his second career/hobby as a cattle rancher. After many years he decided to move back to be closer to his friends and family. Jack was known to spend a lot of his time in the "shop" making knives and axes and also helping to restore a 1967 Dodge Dart with his son in law Curt Simpher. Jack was the best dad and papa. He will be fondly remembered and dearly missed by all who knew and loved him.

“ I worked with Jack for quite a while at Sunnen Products. Quiet guy with a dry sense of humor and liked by all. He was a skilled Tool and Die Maker, very precise and thorough in his work. He was one of the "Good Guys" and will be missed.
