“ Dear Family...my oh my, how Jack loved his family. He was so proud of Crew and Melissa. I taught with him from 1982 through 1997 and admired how much he loved his family. I missed out on the stories about the grandkids but I know he was thrilled to have them in his life. Please be comforted with the knowledge that Jack was a Christian and is resting in peace....love to your family, Judy Sherrell

“ I will never forget Mr. Hall. He was my 6th grade History teacher the first year that House Springs Middle School had opened. I thought he was mean and went home and told my mom that after the first day. Well that night I had soccer practice and wouldn't you know that I was playing with his daughter Crew and Mrs. Hall was right there listening to my mom tell our neighbor about my first day at school and this Mr. Hall. He never let me live it down, and we laughed about it anytime I saw him. He was the absolute best and I was lucky enough to spend time with him even out of school as Crew and I played sports and danced together. I will always remember him at games smoking his pipe. My love and prayers sent to the Hall family. A piece of earth is missing an amazing man but now heaven has a wonderful angel. Prayers to all of you!!

“ I taught with Jack during the beginning of my career 19 years ago. He was a kind and supportive friend who helped me become a better teacher and to keep my sense of humor in the classroom. God bless you.
