“ Hello, my name is Mary Ann. I am a good friend of Genny, Jack and family. as I sit here thinking on what to say. I can almost hear Jack's laughter!
. When Jenny and Jack would come to visit. there was a lot of laughter. I mean from the time they got there ,till the time They Left
. So I'm going to thank him for that.
Because laughter is good for the soul. . . .I Talking about Souls, I would like to say Jack's soul is in heaven today. I feel like I can say that and really mean that. He had a serious side to him. along with the laughter came great conversation. we would all talk about various things. but one thing I remember distinctly.Jack like to help people. God only knows how many people he's helped in his day.probably a lot. I

Jack you'll be missed!
and if by the grace of God you grow some wings ; Flyy around down here and try and guide us in the right direction! Im sure we all need Direction from time to time.
