“ *When I think of the first time we met Jackie, she welcomed our family with her full heart and opened arms. We loved her right away! She was kind, determined, witty and classy and always so comfortable to be around. Her taste in decorating reflected her personality, that warm, Southern Hospitality style, that spoke for itself. Her generous spirit will not ever be forgotten. We admired her faith in the Lord and dedication to her family and friends. Her perseverance and drive throughout all her health battles surely has gained her a room in the heavenly home. We send our love and Thank God for her life in this world.*
