BECKER, Jimmy "Bobby", age 33, of natural causes, passed into heaven's gate on Dec. 24, 2012.

Beloved son of Jim and Kathy Becker, best brother ever to Katie (Chris) Thurman and Ryan Becker. Special Grandson of the late Forrest "Pa Pa" and Jane "Mee-Maw" Clogston and Richard and Char Becker. Dearest uncle to J.J. and Nick Thurman. Sweetest nephew of Forrest Clogston, Jr., Todd and Jane Overton, Jim and Colleen Clogston, Wade and Kerry Clogston and the late Nancy Becker. Cousin of Bradley and Bridget Overton and Camille and Rachel Clogston. Special friend of his Aunt Kim.

Jimmy, your heart was so big, your soul so gentle, and kindness that could never be matched. An artist, musician, but mostly a love child, you will stay in our hearts forever. "So go talk with me maw; hug her tight I know you're in her arms tonight. And even though we will miss you so, we know you're here with us below."
