“ *Jim has a special place in our hearts and memories. The family camp outs with him so many years ago were so much fun and still warms us now. We keep all the family supported in our prayers knowing that God is near the brokenhearted and those crushed in spirit. (Psalm 34:18) He will strengthen and comfort you. God bless you. Love, Uncle Ed, Aunt Pat and family*

“ The picture below is how I met Jim. Thanks for the friendship. You and Heidi was always there for me. You'll be missed. It's so hard to look down at the end of the plaza and not see your red truck 😭
