“ Jimmy and I spent a lot of time together when we were young. Our mothers were sisters and families visited more back then. I wish we could have carried on that tradition but life took us in different directions. You will be missed cousin! Tell Aunt Pearl, Uncle Forest and Danny I still miss them too❤️

“ *Dad did not want to have a funeral. He told us that many times and we respected his wishes. If you would like to share a memory or tribute to him, this is the place to do so. There will also be a notice in the Leader newspaper.*
