“ *My sympathy to the family. Jim was a great person to work with. I used him when I worked at Hawkeye Security as an independent appraiser and he was by far one of the best appraiser's I had ever worked with. You will be missed.*

“ *What a lovely man, whom I knew professionally. He was always cheerful, knowledgeable, and respectful. Once, he came into the office in a suit (usually dressed casual) and when I complimented him, he said "I clean up nicely, don't I?" He also made the best corn beef & cabbage dish I've ever eaten! Jim, you will be clearly missed by all who knew you. My condolences & prayers for his survivors.*

Jim--we will miss you. You were always a class act and a great cook. Now I will never get a chance to get that recipe for corned beef and cabbage. Godspeed, Buddy. Your work is done and we are left with great memories and great respect for what you accomplished in your too short time here.

“ *When a friend goes to heaven*

*They do not go alone
cause when friends go to heaven
part of us goes along.*

*When friends go to heaven,
our memories here remain
when friends go to heaven,
its our plan to meet again.*

*When friends go to heaven,
silently our hearts and souls do cry
for when friends go to heaven
there isn't an answer to why.*

*They never really leave us
they are in are hearts to stay
when our friends go to heaven,
they never really go away.*
