“ i remember when he went to one of my baseball games and it was the first he’s ever watched, and i made a good catch and after the game i still remember him saying “i knew you were fast but damn not that fast” and that’s stuck with me ever since.

“ I remember the time me and Danny skyles were skating around the boulevard, and jimmy pulled up in his cavalier. Dude that was the coolest car ever at the time to us, haha still the fastest I’ve ever gone on that stretch of 30. Jimmy showed us one of my now favorite bands: Atreyu. I remember hanging after and chilling with the buds downstairs just skating having good times listening to sublime. Man I’ll miss chillin with jimmy. He was such an awesome and nice guy.
