“ Dear Family,

Kim was very special to our family and always so kind and made everyone around her laugh. As we know Kim is in heaven with our Father God.

How sweet it will be when we all get there for the great party!

“ Well it has been a little over two months now and I just wanted to let you know that we are all still thinking about everyday. Emily misses you very much. I know that you are in a better place but that doesn't change how much it hurts that you are gone. We love you Andy, Carrie, Emily, and Ethan

“ Dearest Wooten Family,

Words cannot express the sadness we feel in our hearts. Don will always be fondly remembered for his comforting words - great, mischievous smile and big hugs that always welcomed you to where ever he was.

" There"s a hundred years of history and a hundred before that All gathered in the thinkin"

Goin" on beneath his hat.

All the miles spend sleepy drivin"

All the money down the drain,

All the "if I"s" and "nearly"s,"

All the bandages and pain,

It"s guts and love and glory,

One mortal"s chance at fame.

His legacy is rodeo

And cowboy is his name.

“ It may sound strange to those of you that know me, that I struggle right now to find words that can properly do justice for a man like Don Wooten.

I have many members in my rodeo "family" that has certainly grown over the many years I have been involved in the sport of rodeo. Many of those relationships have withstood the test of time, miles, and competition.

My relationship with Don was very special to me. He was like a father to me in many ways. He praised me when I was good. He offered suggestions on how to improve when I was bad. He offered his home to me and my family. He offered to feed me every meal during a weekend of rodeo. He always made me feel welcomed and thanked me numerous times for coming to his event. He prayed for me when I was ill.

Talking at length with Don early in the morning at a rodeo was one of the simple pleasures I enjoyed in life. Over a cup of coffee I could hear stories of work, play, good horses, cowboys (good or bad), politics, his many travels and LIFE!! Don made a point to always talk about the thing that was most important to him.... FAMILY!! For those of you in the Wooten family I want you to know how proud this man was of each and every one of you!! He loved you all very much! Don was special to me and I will never forget him.

My thoughts and prayers are with the Wooten family on the passing of this great man.

“ We are friends of Lee Oberlag's and learned of your terrible loss through her. There are no words that will ease your pain, but we trust the memory of your time together provides some comfort. The wonderful photos of Griffin show what a delightful little girl she was. Please know that all of you.....Griffin's parents, siblings, grandparents, aunts and uncles....are in our prayers.

“ I have never met your family, but I was deeply touched by this tragic story. You have all been heavy on my heart since I read about this. I am praying for God's peace to help you through this. I wish I was there to give Taylor a hug. I know the things that you read/hear aren't always kind words. I want to tell you that this is NOT your fault. I have 3 children and my youngest is 5. We live on a farm and we have 4 wheelers and our 10 year old gives our 5 year old rides all the time. We are always here at home, but these accidents happen so quickly. We will never know why bad things happen to good people, but they do. Taylor was being a good big sister entertaining her little sister. Her beautiful smile shows how happy she was. I hope that her physical injuries heal quickly. It's the injury to the heart that will take a long time to heal. I am also a Registered Nurse. Unfortunately, the broken hearts cannot be fixed with medicine. I just wanted to tell you that we are praying for you. Please lean on your faith and God will help you through this.
