“ *Things we'll remember about Aunt Jane...driving around in her smart car wearing a big hat; enjoying a cold beer, keeping beat to a country song, joining a ukulele band, smoking an occasional cigar and catching her grab Elvis's behind at Aunt Becky's surprise 70th B-day with a smirk on her face and a twinkle in her eye! Your mom was a fun vivacious person, with a joyful spirit. We only hope to have as much energy and love for life as she did. She'll be missed. Our heartfelt sympathies to you all as you mourn the loss of your Dear Mother. Peace be with you. Tina Copeland Nelson & Family*
