“ *Such a loving spirit 🙏 Always full of life and energy and always uplifting 💖 And even if she did vent for a moment she would always recover it with changing the subject to something happy 💖 I will miss our occasional long phone conversations and all the birthday and holiday greetings that she always made sure to deliver 🙏 Jane always persevered through many bouts with pneumonia or broken bones and even the loss of a child and a grandson and 2 beautiful great granddaughters 🙏😭🙏 But she decided she was ready finally this time and crossed on her own terms 🌍🙏🔥*
