“ It is nearly three months since Janet left her earth home and I just learned about this loss. We were college friends, at Cottey and later at UofArk where she was a Campus Beauty. We bonded due to our Arkansas connections and I loved her, her wit, her ready smile, her beautiful hair and our "Away from Home" parents: the Middleton Family in Nevada, MO. My deep sympathies are with her family and Gail.

“ Janet always said that when her time on earth was over...she would be singing in the choir in heaven. I think of that when we are singing in church...I know you are singing right along with us! You will be dearly missed, but I know we will meet again :)

“ Janet - forever in our hearts. She opened her heart, mind, spirit & home to us when we came to serve at Faith UMC. Memories flood our thoughts & we have laughed & cried over them the last few days. Janet Holdcraft - we can honestly say that the world is a better place because of what you shared with us, w/it. We also thank God for the time we had here w/you. "Thanks for the memories". “ I became acquainted with Janet through P.E.O., De Soto, Chapter FG. She wasn't able to attend very often due to the miles that separated us. When she was able to come, she presented the most outstanding programs. In talking with her, I learned of her UMC activities and realized that I did some of the same activities here in De Soto. She will be missed. May God comfort all of you through this difficult time.

“ Janet was an amazing lady that touched the lives of so many people. She was a pillar in our church and we will miss her greatly. She was my daughter's confirmation mentor, and my family loved her.
