“ *Jan Kramer was the most beloved person in TWA's In-flight office. Without her I doubt we could have survived. She always had a kind word, a infectious smile and sense of humor, and her dancing legs kept her going throughout the years. You will surely be missed by many but you are loved by many more. Condolences to her family and family of friends. One last goodbye until we meet again. Love you, Jan!*Deborah Julian

“ *My thoughts and prayers are with the family. I believe my husband, Harry Bennett, knew you. He worked for TWA for 37 years before American took over. He worked on the ramp, than a gate, then the front counter before he ended up in weight and balance (load control). Harry passed away on 12/7/13 so I feel your pain. May God richly bless you and comfort your family during the weeks and months ahead.*
