“ Jeannie, I'm so fortunate to have been able to spend time with these past few years. Just wished I'd moved back to Missouri sooner so we wouldn't have lost so many years together. Thank you for letting your girls know that they had an Auntie out there somewhere. When we all met, it was like we'd always been together. They are my tribe and I love them to pieces. You raised some very lovely ladies, hard workers and loyal. You can rest assured that I will always be there for them. I chose to share this picture of the girls and you taken at Dinner "Home of the Tossed Roll", after a hard day of shopping in Branson, for your Birthday last year. You out shopped us all, you never ran out of gas. We had such a fun weekend, so glad we had that time together. We weren't ready to let you go, but we'd never be ready. Your stories and memories will bring us comfort in the days, years ahead. God bless you, love you, rest in peace, my Sweet Sister-in-law. Nelda Sue Breckle - Robinson.
