“ *Jean was always cordial and you feel as though you always fit in. I'm so sorry that I wasn't aware of her passing until now. You could always tell that Jean was the love of Speed's life. I haven't seen any of the Schwein brood in thirty years and I was happy to see that Jean had a long life filled with love*

“ *Aunt Jean's greatest joy was making everyone around her happy. She was strong and at the same time a woman full of simple and lasting elegance. I will never forget her warm smile. My fondest memories will be the camping trips on the Current River at Float Camp with all the Schwein clan and Amass clan. Those were the good ole days! Much love and condolences.*
