“ I have many beautiful memories of "Mom and Dad Haselhorst" and Jeanne and Ken. "Sis" Jeanne and I were best friends throughout our four years at Cor Jesu Academy and kept in touch over the years. She was always fun to be with and was one of the most generous and loving people I have known. Heaven has gained another beautiful soul.

“ I want to express my deepest sympathy to my dear cousin. I have always lived in Pennsylvania and every year when school ended my parents would drive to Saint Louis to visit the relatives. Edwin was my mother's brother and they were very close. Ed and Sis and Ollie would always plan a barbecue in Edwin's back yard. And another day we' go swimming at a local pool. Jeanne and her brother Ken were fun to be with and we stayed in touch over the years. The last time I saw Jeanne was in Philadelphia when she and Dice were in town on a bus trip to see the Cardinals. My brother Jim and I met them at a little Italian restaurant is South Philly and when the waitress brought their order she spilled it all over them. The waitress had been a waitress for more than 20 years and this was the first time she had done this. Needless to say their replacement meal was free. Jeanne was a kind and gentle soul and I'll miss getting her annual Christmas card.

*God bless her now that she's reunited with he parents and siblings*
