“ *I only knew Jeff for a short time, he often came by my house to either drop off or pick up Luke because my son Trevor and Luke are close friends. I always enjoyed our driveway conversations. Even though I didn't know Jeff for many years , I felt as if I could talk to him about anything. Jeff you will be greatly missed by many I know. My deepest condolences go out to his parents, siblings, children, Jodi (my dear friend), and all who have been blessed to know Jeff.*

I was traveling and was unable to say good by proper. Gunna miss him!!
