

Jeffery Keith Ahart

March 30, 1965 - May 25, 2021

Jeffery Keith Ahart, age 56, passed away on Tuesday, May 25, 2021 at South City Hospital. He was born March 30, 1965, in St. Louis, Missouri to Sandra Robinson. He was raised by Willie and Sandra Robinson.

Jeff worked in construction as a drywall taper/finisher for 35+ years. He was a hard worker and quickly became well known for his proficiency in construction and drywall finishing. Jeff, in so many ways carried on many family traditions established by his parents and did not have a problem reminding the family of those things. He did so much to ensure that principles imparted to the family by his Mom & Pops was maintained and cherished, especially their faith in God!

There were many memorable aspects to Jeff's life, and many ways that he touched our lives. When he was not hard at work he loved traveling to the beach and mountains. Jeff loved the thrill and power of fast cars. He was obsessed with attempting crazy dare-devil stunts on his motorcycles, sometimes going 85 MPH while standing on the seat! Speed was one of his greatest passions! This was a perfect outlet for him. He truly enjoyed listening to live music. But most of all, Jeff's greatest love and joy was his children; he enjoyed spending quality time with them. He will be remembered as a loving father, a wonderful brother, uncle, cousin and friend. In all these ways and more, he made our lives richer and fuller!

Jeff is survived by his siblings: JaLana Sheree Walsh and Shane Robinson.
Children: Jordan Ahart, Dustin Ahart, Isabel Ahart and Amanda Ahart; a host
of other relatives and dear friends.

A beloved father and brother, Jeff will be dearly missed. May he Rest In
Peace.

“ *When Jeff and I stayed up all night to play monopoly when we were 8 I know Jeff put extra houses on his properties when I went to the bathroom. Jeff laughed his snorting/booming laugh whenever I shanked a golf ball into the woods. I collected lots of Jeff's money playing poker over the years. A poker face, he did not have. Jeff and I went through the best and the worst of life together. Jeff was like a brother. Jeff was my friend and I will love and miss him forever.*

“ *My crazy cousin thanks for all of the wonderful memories of being at grandma Ruby house. I remember sitting out on the front step waiting for your mom (my favorite aunt) to drop you off on her way to work. I still remember going to the dime store and you bought me a matching necklace and bracelet. You said we could be married only when I wore it I wore it proudly (I was 11 you were 6) So much fun we had. I will see you again in Heaven Cuz.*
