“ *Dear Dupree Family:  
I never met Jeff or his wife and children but I knew his Dad, John. We worked together at Monsanto. I did know how proud John was of Jeff and the rest of the family. I am so sorry for your loss. Please accept my prayers.*

“ *My dear sweet love I miss you more and more with each passing day. I think of you and our lives together constantly and tell our children the many stories of our time together. I will never be the same without you for a piece of me left this world the moment you did. Until we meet again I will dance with you in my dreams and see you in the stars. I will watch pieces of you live on through our children and never forget the love we shared. I love you always and forever*
