“ *Jenny lit up a room whenever she walked into one. She was such a breath of fresh air, always happy and always smiling. She was a great friend and an all-around great person. Her boys meant everything to her and I know that they will grow up knowing how much she loved them. She was taken from us too soon and will be greatly missed by everyone who knew her. Heaven is now brighter because of her and her light will shine on forever.*

“ I am heartbroken to hear of this news. I am the boys pediatrician, and truly considered Jenny a wonderful friend. She was so caring, kind, and fun. I always looked forward to seeing her at her boys visits. She was such a hard working, loving dedicated mother. She truly loved her boys with all of her heart. She was an amazing mom. ❤️

“ Jenny was such a bright light in a dark world. She touched so many people's lives and will be so sorely missed by all her knew her. She loved so many unconditionally , but most of all she loved her family profusely. You all are in my thoughts and prayers and I pray that God gives you the strength to get through such a tremendous loss. I cherish our last time together. ❤️
