“ Jenny was a great, true, genuine friend and person. She was always so thoughtful and caring and would do anything for anyone that was in need. She was very compassionate to others thoughts and needs and always did her best to help anyone that needed it. She was an amazing person , mother, and friend. She was so good to myself and my children too and I will forever be grateful for our friendship. She will be missed dearly and I hope she found the peace and happiness she deserved.

“ My memories of Jennifer began when she was a child and I knew she was never to be ordinary, but extraordinary and indeed a warrior because that's what life would demand of her. Jennifer grew into a beautiful young woman with a gorgeous smile. A true warrior for her boys and an amazing loving person. Jennifer spoke her mind she was honest and I admired that about her. She will be missed by her wonderful family as well as many friends she was blessed with along her journey. With a heavy heart and sincere love for her family, I know she is at peace. I'm grateful that Jennifer and I crossed paths on this journey. May God bless her family with comfort even though parents don't expect to say goodbye to their children and her children should have had more time with their mother. Jennifer's sisters, Aunts, Uncles, cousins and friends should have all had more time. These are not our decisions, but a blessing to have known and loved this person who in life was love, who loved enough to be that strong person she was called to be. And she is loved, never to be forgotten.
May God be with all during this time of great loss.
