“ I can still see Jerry walking in our offices; never without a smile on his face giving us a hard time knowing full well we that would know he was just kidding around. No matter what kind of mood we were in that day, his presence would lift us all and help make the rest of the day just that much more pleasant. We will miss his beautiful light.

“ I remember like yesterday when Jerry and Peggy came to House Springs. I was just a boy but I remember all the service he and Peggy performed at our church down through the years. What a wonderful example. Not that he was perfect but what a father and husband he showed us younger men how to be. I will always appreciate his honesty and integrity. I always enjoyed his singing and he was supposed to sing at my funeral.

*My how he will be missed, Libby and I express our deepest sympathies to Peggy, the boys and all the family. God bless you and keep you as you travel down this road of pain.*

“ Everyone who knows Jerry, knows he loved to joke and laugh. He was a man that loved his family, and friends and God. The world was a better place because Jerry was in it. Now heaven will be one long eternal day of joy for him. When we all leave this world, and travel to heaven, Jerry will be there waiting with that great big smile. God bless you all who will miss him the most.
