“ We would like to extend our sympathies to Jessica's family and friends. Although we did not know Jessica very well, we saw her just about every day. In the five years that we have lived in our house, Jessica must have walked by a million times. We live in Jessica's neighborhood. She was always the sweetest girl and would wave or say hello every single time she walked by. We were deeply saddened to hear that she was gone. Her smiling face will certainly be missed. Our thoughts and prayers are with you all.

“ Christine and Family,
My heart aches with your loss of Jessica. Although I had never met Jessica in person, through Christine I felt I came to know her and her beautiful son, Seth. I can only imagine how devastating this must be for all of you and hope that knowing so many people care and share your sorrow it helps to ease the burden of your grief at least a tiny bit. You will all continue to be in my thoughts and prayers.

“ Jess, I miss you so much hun, you are such a great person, and such a wonderful mother to Seth. You will be remembered daily in not only my heart but my mind as well. I cannot express in words how much you mean to me, and I know others would feel the same. You touched so many, and were always so unique in person. I will never forget that, you were who YOU wanted to be, not who others hoped you would. Thank you for being in my life Jessica, I will always remember you. RIP

“ My mother and I send our condolences to everyone. Mrs. Batey was a caring person and a fun individual to be around. She will be greatly missed by all. It was an honor and privilege to know her. Mrs. Batey is in Heaven singing praises to God and strolling all over Heaven with loved ones who were there to greet her at Heavens gates.

Once again we are sorry for your loss. She was a wonderful person to know. God bless.

Love you all,

Frona W. & Les W.
