“ I remember when the six of us boys Frankie, Gene, my brother Dennis and Jimmy and Tommy and me was on our uncles farm. We decided to go look for some caves in the woods. But on the way Tommy and Jimmy wanted to go back. So I said I will take you back. But I could not even find my way back. We got lost. Finally we came to a road. I ask them which way should we go. They said we are following you. And I said I will follow God. And we started walking up the road. We came to a school house, which my aunt Roberta was going. She saw us and told us were to go, on up the road and My Uncle Loen was on the way to get the rangers and he saw us. Boy was he mad. But we were safe and everybody was so happy to see us. I still can not find my way out of a paper bag. I also remember the great times we had together playing. Cards, cowboys and our hideouts, etc. So many memories. Jimmy will always be in my prayers
