*“ There are so many fond memories I have with Jim. He was an amazing man. With a huge heart. I was very blessed to become his daughter in law and get to know him over the last couple years. Him and I could always exchange wise cracks and many many laughs. He loved his family and treated me as if I had been apart of it all along. My daughter became his granddaughter from the beginning and he treated her just like all his biological grandchildren. Things will never be the same with Jim gone and he will be missed so much. I take comfort in knowing he is in a better place and full of nothing but good health now. I believe all that loved Jim will always feel his presence because knowing him meant you understood his complete commitment to those he loved. Fly high Jim we love you so much RIP*

“ Jim was like a brother to me. We shared many conversations about politics, religion, spiritual, sports and concerns over the world. Most importantly a few weeks ago his concerns for his wife, children and grandbabies. We watched football and baseball together and oh my he was more of the entertainment then the game the way he would get all rallied up! Then there was the play with his dogs. He sure did love his Bubbles. He was proud of his chickens also when he had them. Played alot of card games as well. Alot of great memories, he will certainly be missed but as all know he is in alot better place now. He's whole once more. No more suffering, no more pain, no more struggling, no more tears for he is with his Lord and Saviour Jesus Christ. He is reunited with his loved ones once more. We all love you Jim, God rest your soul Jim!
