Don, thank you so much for your kind words. I would LOVE to see the pictures of the class pictures sometime. She was a proud member of the class of 1957, and loved her classmates and working on the many reunions.

Send me your address and I will see if I can go to the UPS store in Dierbergs Plaza and get copies. Remember they are 74 and 71 years old. dradeacker@earthlink.net

Sweet Joan, my friend and as they say, "my sister by another mother". Seems like we'd known each other forever, but probably only since 1953. Wow, long time! We went all thru high school, she was in my wedding in 1961, we kept our friendship thru all of my three kids and ten state moves, and reunited for many class reunions when she left me sleep in her extra bedroom. She was always there with updates on classmates, events and sent me cards for every holiday to keep my spirits up. A true friend that I will miss and love and cherish forever.
