“ *I have very fond memories of Joan. Our high school days, our visiting time around Christmas our church activities and good music. And “Dirty Ednas” lol...Saw service on you tube, and enjoyed very much. Loved knowing you ❤️ Arleene (Feutz) Sohm.*

“ *Joan was like an unofficial aunt to me. I appreciated her example of an assertive woman in the workforce and her love for animals. You always knew when she had a good story to tell, you would be listening for at least 10 minutes -- and they were well worth it! Until we see each other in heaven again -- Love, Kathy (Slaughter) Cadarette*

“ Joan was a treasure at SLSO. She was so smart and so devoted. Joan taught me so much, during my time in the orchestra and in my later activities. The world has lost an absolute gem with her passing.

“ Joan was my mentor at the SLSO, and a good friend. She was one of the most generous persons I knew, always a kind word and always willing to help out. The many bundles of pencils and postcards and lolly-pops we put together for group souvenirs would fill a stadium, as would the many stories she had about the SLSO, her beloved Cardinals and her beloved pups.

Rest in peace Joan. God be with you, Susan. Hugs to you both

“ Only got to see Joan and Susan on special occasions . It was through her determination and her skills that our families were able to see each other a few times over the years.
The family picnics were held in rainy weather, hotter than hot, colder than cold. A good time was always there.

I certainly will miss that laugh of hers.

*Susan, not many people have the friendship that you and she had.
Thank you and God
will help you through this difficult time*
