“ *My prayers go out to all the family members. I know that he is in a better place now with no pain, and God has another Angel :) Diana, you were a great Sister to him and my heart goes out to you and the loss of your Brother. By the other entries, John, Sonny, Catfish John, he sounds like he was a great guy. May he rest in peace and join his family up there in heaven .*

“ *Hey may not have been blood related but he was the best great grandpa I could've asked for. Grandpa and grandma always loved me like I was their own grandchild. Some of my best childhood memories have them in it. He was a veteran, husband father grandfather and all around amazing man who will be missed...LOVE YOU!*

“ He was the best Husband, Father, Grandfather & Great Grandfather anyone could ask for! Everyone that knew him loved him. He loved his wife of 55 years very much and his family. He loved working at Silver Dollar City after he retired from "Sonny Radaitor Shop" Every summer he made sure our family had a 2 Week vacation at Table Rock Lake. Where he hit the nickname "Cattfish John" He loved his pictures of the family. In his house he had over 200 frames with pictures of everyone growing up. I can hear him saying I don't like leaving these in boxes where no one see them I put them out so I can show off my pictures. When he moved on with me we started his picture frames here. We would stay up til 11 or do at night doing them. Many of nights I would come home from work and he had taken them all apart cause he found better picture to put together lol. I didn't mind I just enjoyed being tight there with him. We talked alot the last few week and he was ready to be with Momma. It won't be the same without them. But I do believe they are looking down on us everyday. To my Dad and Mom may you both rest in peace together and one day we will all be together again . I love you both - Kathy

“ {Uncle } Sonny-Jim as we always called him, was my dads second oldest brother . My mom and I always reminisce about family times when get togethers included my aunt an uncles and cousins. Sonny Jim always liked the country western music, and after many,many years always talked about the Theresa Brewer records and the silver coffee pot he bargained from my mom ! I remember as a child going out to his home in Cedar Hill and the radiator shop.

“ Cedar Hill lost a long time friend. I still look at your old house and think of Sonnys Radiator Shop when I pass by. One of the original gentlemen. RIP Sonny Gibbs...”
