

John Timothy Giger

March 18, 1953 - April 8, 2022

John "Tim" Timothy Giger

March 18, 1953-April 8, 2022

69 years old

Born to Martin Giger and Ellen Fleek (Dolson) on March 18, 1953 in St. Louis, Mo. He

and his abundance of siblings grew up in Jefferson County, Mo. More than likely if you

know or knew a Giger it is one of the following; Marty(Geri), Danny(Cathy), Kathy(Raymond Burns), Mark, Larry, Tom, Andy, Mickey, and Shane.

Tim and his wife of 43 years, Doris (Boyer) raised their three sons; Tim(Leah), Mike(Beth), and Sam in High Ridge, Mo. His grand kids were blessed to have him in

their lives, his world revolved around them. If you saw Tim out likely Cohen, Annabelle, Ruby or Luke was by his side.

He enjoyed being outdoors and his almost daily trail walks. All four of his grand kids

loved nothing more than getting to have their time at "the cabin" with Papa Tim.

Big Tim (as he was better known as) was known and loved by many family members, friends, and coworkers. His sudden passing left a void in many lives that will never be replaced, and he will always be remembered.

Donations can be made in Tim's honor to Missouri Conservation to provide funds for trail

maintenance at mochf.org/donate-online

A memorial visitation will be held in Tim's honor at a later date.

“ My memories of Tim are from years ago. We were all just teenage kids who had years together as family. I remember him as the quiet soft spoken young man who had the most honest smile and the best laugh ever. Always happy to see and spend time with those he loved. I'm sure he carried on into his role as a husband, a dad and a grandpa with his same ways as when I knew him as a younger man. He sure loved his family and he lived his life showing it. I know he was truly loved. I loved him, he was my family. Back in the day, he always wore shirts with a hood and a big pocket in the front. I remember that, not sure why, but I do. My thoughts and my heart are with his family. Sending my love for comfort and peace.

“ John, (Tim SR). was the first man I worked with at AMF. He set the standard on how things should be done. To watch him work, he never broke a sweat, but did the work of many men by the end of the day. Never got upset. If anything was said "off color", his response would be just a quiet "Oh My". I learned a lot from him, and picked his brain many times studying for my masters' license. If you were working with Tim SR, you KNEW it was going to be a good day.

“ Growing up just up the street from the Giger family makes this particularly hard. Even though Tim was older than me I looked up to him in many ways like a big brother and there are many memories. He was a very good man and will be missed by so many. May Tim rest in peace. He may be gone from us and this earth, but memories of him will continue to live on in our hearts.

“ *I remember my cousin Tim giving me a ride on his motorcycle when I was about 7 or 8 yrs old. Him and Marty lived with us for awhile when they were in high school. I have a vivid memory of how sweet and careful Tim was to give me a ride around the house (3x). He said "Hold on tight!" and thankfully I didn't fall off and nobody got in trouble (as best I know). Tim brought so much love and kindness to our world.*
