“ *Meeting John, and spending time with him (& Linda) from the very start he was a very warm and loving person and and took my sister and I under his wing that we felt we were family and we've got wonderful memories. It's a great sadness knowing this earth angel is now a heavenly angel but happy he's in no more pain.*

“ *I was a classmate of John's at Northwest. I had not been in contact since then, but after reading his obituary, I am struck by the odd coincidence that we both lived in Bowling Green for at least a short time. It sounds like he was a wonderful man, caring for those who could not speak for themselves - a true gift to those around him. I hope his family can find peace knowing that they were a part of his amazing life and his legacy of kindness will live on for years.*
