“ John Haley, I've missed you terribly for the past month. You were the color in my world, the music in my life, it's been so hard. We did good, didn't we, raising two fine young men. They grew up in the sunny love of their Dad, learning to fish and swim, play baseball like nothing else. Tim served two tours in Iraq, using the bravery and strength you passed to him to get through until he came home for good. I think you know, you were his best friend. And John, well John modeled all his traits after you, leadership, fishing competition, Farmers Insurance Agent, and being an awesome husband and Dad. His son, Johnny, misses you terribly.

Our Circle Of Life was perfect, from having incredible parents and grandparents who taught us to work hard and do our best every day, and to live a moral life together; wonderful brothers and sisters who always come together when we need each other; our wonderful sons who have been nothing short of amazing in keeping me safe and comfortable during this change in my life.

We were married 55 years! Our parents thought we were too young for marriage in 1965, but just look at everything we accomplished together. I was so proud to be married to you, and that will never change. In those last weeks, sitting together on our front porch, drinking coffee while we watched the deer play in the upper field, watching the hummingbirds fly and battle for position on the feeders, picking those red tomatoes from the garden I planted for you to watch grow, I have so many wonderful memories to keep in my heart forever. I wish we could have had more time together, but I won't complain--what we had was perfect and I'm grateful for that. I hope you are happy where you are now. I know you and Molly had this planned, to be together until I get there too. So have fun together, running in those fields at the Rainbow Bridge with Molly and the gang in those flowers and green grass. When its my turn, its where I will catch up with you all to continue our ongoing story.

XOXOXOXO

Connie

“ I'm Blessed to have had John invite me to help moderate his Lost/Found Animals in Jefferson Co. Mo. & Surrounding areas facebook page. 🍷🐾

I felt like I knew him just from working with him as a teammate on the page.

John was so proud of the page's ability to help so many families be reunited with their lost furry family members. 🍷🐾

The Lost/Found page will continue, and we will work diligently, to be like John, helping reunite lost fur babies with their families.

We will all miss John terribly. John had such compassion and Love for the fur babies. He has rescued and adopted many fur babies himself. John was a good friend to the humans too. This world won't be the same without him. 😞

*Deepest Sympathy to John's family for their loss here on earth. 😞
One day we will all be together again in Heaven with all of our Loved ones furry and human. 🍷🐾*
