“ *When I was a freshman at LSU, and a Theta Xi pledge, Dick, an upperclassman in the fraternity, liked to lord it over us pledges but always in good humor. Dick had a great sense of humor and a great mind. No one ever doubted he would not only easily get into law school but would also go on to be a great attorney. The loss of a friend is never easy. This one was especially poignant because Dick had been doing so well and because for months he and I had been planning lunch with Glynn Young, another fraternity brother in the area, when my wife and I visit St. Louis next Saturday. About three years ago, Dick set up a Google Group for Theta Xi's from our era. His efforts have allowed a very large number of us to get re-acquainted after many years out of touch. For that we owe him a debt of gratitude, and we told him so many times. He will be sorely missed. Our prayers go out to his family. Eternally YITB, Dick.

“ *Dick and I were room mates my first semester in the fraternity house. I can't think of anyone I was closer to than him during my time as an undergraduate. He was always supportive of me and was the consummate Theta Xi. Susan and I will miss him even though our only contacts were through the email trail he established. We were really looking forward to having him come back to BR to celebrate a homecoming as soon as was going to be able. Love you Dick! YITB forever, Kirk, AA870*
