“ Aunt Juanita lived with us for a while when I was a little girl. I remember when I was around 4 getting a washer stuck on my finger and my dad having to saw the washer off. I was crying but Aunt Juanita stayed with me and promised to give me a doll that she had if I didn't cry. After the washer was off she gave me the doll. I also used to spend some weekends with her and Bob when they lived in the flat down in South St. Louis. She was also my confirmation sponser. I have many good memories of her while I was growing up and that's where she will live on in my life.
