“ Ursula, I just can't imagine what you all are going through right now. My heart just breaks for you. I do know John was the nicest guy ever, always smiling and I think it was because he felt like he was very lucky to have a great family and a good life. Please know we are with you in spirit. Love you all so much.

“ Ursula & Family. We are saddened by Cousin John's passing. Too young. Many favorite memories of all of us kids playing at my father, Shorty Miller's house. Lots of fun and good times. Our prayers are with the family. Love, Marvin & Sherry (Miller) Rhodes

“ John was the most honest and most loving man I have ever met. He loved life and whenever I would ask him how he was doing "FANTASTIC" was his favorite word. I learned so much from him and his memory will never be forgotten at Cardinal. Words cannot express the emptiness in the building right now but his memory will live there forever.

“ My favorite thing about John was him coming into work and when you see him he looks at you with the biggest smile every day. John and I was close and I could go to him and talk to him about everything and anything. I always looked forward of seeing him coming to work. All my knowledge of my job came from him. I couldn't thank him enough for helping me when I needed it. I will dearly and greatly miss him and his chocolate pudding and bananas. I will never get over this but one day at a time. Prayers and thoughts for the Rogers Family we will get though this tough time.
