“ Oh Debby,
I am so sorry to hear of Johns passing. We have been out of town and Mary just saw the obituary in the Leader. I will always remember the great times we had at deer camps over the years. John got me into trout fishing but unfortunately I only attended the tournament a couple of times, couldn't take that cold temperature. Every time I grab my fly rod or sit in a tree stand waiting for that "turty point buck "I will think of him and all the great memories. Condolences to you and all of the family.
