“ *Hello. You don't know me, but I am Laura Nichols from St. Clair, Missouri. I happened to see your baby's obituary in the Missourian paper (a little while back) and my heart goes out to you, truly, it just 'pulled' at my 'heart strings'. Reading it and the picture just brought tears to my eyes. I'm so sorry. I found out that we know someone in common, Art and Angel McNiff. Their son Devon is in 2nd grade as my son Matthew is (they were in K together), and we've gotten all 4 kids (their Hannah, 1st grade, and my Andrew, 5th grade) together at times. I was telling Angel at school one day about this obit that I came across in the paper, how touching the picture was, and she said that she knows you. I am so very sorry for your loss of your baby son, Jordan. I don't know how you believe, (I hope that I don't offend you) but I believe that God has Jordan lovingly up there in Heaven in the palm of his hands, taking care of him for you. You will all see each other again someday up in Heaven. In Christian Love and God's blessings to you all, Laura Nichols.*
