“ I always loved seeing Sreeja's beautiful smiling face, illuminating every room she entered. Her caring spirit shining through, she loved and accepted all living things. Her absense is truly felt.

“ I will always remember Tommy's smile and his sense of humor. Every time it's hot out, I think, "It's not the heat; it's the humility!" There are so many more classic Tommy-isms...it just breaks my heart to know how much his family and friends will miss him. I have been thinking about the whole family all week and wish you all comfort through this difficult time.
