“ *I have only known Tommy since the beginning of 2011 when he began working on remodeling projects that I oversaw at my employer Fabick CAT. During the last 8 months he and I developed a great relationship both on a professional and fun/friend side. We would kid/joke/ and tease each other daily about our projects and discuss non work items such as Tom"s interest in his son"s baseball games. I was so happy to have Tommy running my projects I requested that Mike Madden keep him here permanently. He was a perfectionist in his craft and was a great guy to be around. I am deeply saddened by his sudden passing and will miss him both as a professional and as a friend. My sympathies go out to his family.*

“ I didn't personally know Tommy, but I knew him through the one thing we have in common, and that is KSHE 95. I am a DJ for KSHE, and Tommy always came out to my remotes and events -- just to say hello and make me laugh. I will miss that kind, great spirit he had about him, dearly. He would send me the coolest stuff in the mail just to let me know there was someone out in the world listening to my show -- and I still think that was so nice. I was just an acquaintance, but I know he was a great man - a great dad. My thoughts are with Nick, and the rest of his family. You are in my prayers.

“ Tommy received

a set of screwdrivers from me for an eight-grade graduation present. We had a chance to talk a bit at Mom's wake Nov 5, 2010. Sensitive to another's needs and caring would be how I will always remember him. Please accept my deepest sympathy for our loss in the family. Love, Vera Lamprecht

“ To the family, sorry to hear of your loss. Also sorry that we didn't make it up for the viewing or the funeral. Kathy had to work. Do wish we could stay in better touch. If we'd known he was in the area and in the hospital we may have come to see him and you guys. Take care and may God be with you all.
