I tried this but couldn't get it to work. I remember the first time Uncle John brought Joyce to meet Mom & Dad. She seemed so shy like she was a little embarrassed. She was not sure how she would fit into our rather boisterous family, but she fit in just fine. I always liked her smile!! She will be truly missed. I send so much love to your family. Deb

“ I always remember Joyce as being kind of quiet when Jogn and her came down. Thought she always looked so neat and wore the coolest clothes for an older person. I remember all the ones coming to grannie Kates, playing rook. Going to their house was always fun. Joyce welcomed us all with open arms. She was one of a kind and I missed getting to see her after I got older and had to work so much. R.I. P. Joyce, I'll see you on the other side!
