“ So many memories and so many years. She played the piano for our wedding 53 years ago. My dress arrived Very late (they had the wrong date) and Joyce just played on and on. I'm sure her mind was going crazy trying to figure out what was happening. Had I changed my mind? Had that sailor I was marrying jumped ship? But she just smiled and kept on a playing! This is just one of hundreds of memories we have of a beautiful woman with a heart of gold. I'm sure she has a Golden organ to play in heaven and that she will keep right on a playin! Hope to see her there someday and hope she plays me right on in those pearly gates!

“ *So sorry to hear of Joyce's death. I will always treasure the friendship we had since 7th grade and will never forget how special our relationship was. Joyce was such a loving and generous person and I will never forget how kind and loving she was to me when my dad died while we were in 7th grade. Her friendship sustained me through that difficult time and I will always be grateful for that. As adults, we only saw each other a couple times a year but those were such precious visits and I will miss those lunches together.*

*I will miss Joyce so much but know she is in a better place enjoying a reunion with her husband and other family members and especially being in the presence of the Lord.*

“ *So many Memories of my dearest friend. School days, double dating, piano lessons, the time I was snowed in for several days and her Mom put us to work making quilt tops. (I know it was to keep us out of her way LOL) those wonderful apples, so many card games, raising our sons together, lunches in Rolla with our dear friend Jean and all the school activities we watched our boys and grandboys were in.*
