

## Jozi Rae Ann Woodall

June 22, 2022 - August 14, 2024

Woodall, Jozi Rae Ann of High Ridge, Missouri, was born June 22, 2022 in Fenton, Missouri to Sarah Woodall and entered into rest Wednesday, August 14, 2024.

She is survived by her mother, Sarah Woodall; brothers, Zyair, Aiydan and Rowan; grandmother, Deborah Woodall; uncles, Jesse (Makayla Bird) Woodall, Chris Henderson, Felix Woodall, Robert (Ashley Kucyr) Henderson and Glenn Henderson; along with her Disciple Fellowship Church family, and friends.

Jozi, a radiant and joyful two-year-old, filled every moment with boundless energy and laughter. Her world was one of magic and wonder, where unicorns danced in her imagination, and K-pop tunes made her eyes light up with excitement. Her love for cats showed her gentle and caring spirit, always drawn to the soft purr of her feline friends. But more than anything, Jozi adored her brother Zyair, her best friend and partner in every adventure. Their bond was unbreakable, filled with giggles and love. Though her time was brief, Jozi's vibrant presence left a lasting sparkle in the hearts of all who knew her.

Visitation will be held on Tuesday, August 27, 2024 from 4:00 p.m. until time of service at 7:00 p.m. at CHAPEL HILL MORTUARY, 6300 Highway 30, Cedar Hill, MO 63016. Family and friends can review and share stories, photos and

condolences online at [www.stlfuneral.com](http://www.stlfuneral.com) and follow details of this event and others in the community at [www.facebook.com/stlchapelhill](http://www.facebook.com/stlchapelhill).

“ We are so sorry for your loss. She was a beautiful little girl and very loved. We lost a son several years ago and the pain was indescribable. We cried out to Jesus and He comforted us. We pray He will bring you peace and comfort. Someday you will see her again and be together forever!

“ My favorite memory of Jozi was watching her lying on her grandma at church. She really looked like a baby angel. I can see her lying the same way in Jesus arms now.

My other favorite memory is when she was sitting in her bumble seat in 1 of the chairs at church. She payed better attention to my sermon than some of the adults! She just looked like another little bitty church member. So darling. So glad I have that memory.

Sarah, I am so proud of u & the positive changes you have made in your life. My heart breaks for u. I hate so much that u have to go through this. So so hard.

But u will see her again, and then u will never b separated again
