“ *One of many memories I have is this one . Judy was driving before I was and she had this Ford Fermont and everyone who knows Judy she had a lead foot. She lived in Burnsmill at this time and the road was curvy and had hills . She and I and even Jennifer would be driving this car pretty fast and we would get air in that car. She and I skipped many days our senior year . The stuff we did and man those were the the days . My friend you are going to be miss dearly. I Love you!!*

“ *Judy, you lit up a room. Your kindness and warmth meant so much. I will miss your funny messages and no filter comments. I will do my best to help Cydney with her fork problem. Thank you for giving me Kaylie. Rest easy and with the angels. Until we meet again.*
