“ We knew Julie on so many levels. As a wife, mother, professional and friend. As our children grew, we saw less of each other but our paths would cross and we start where we left off. Whether you saw Julie everyday, every once in awhile or in the grocery store years later, once you were her friend, you always had a friend. Till we meet again my friend.

“ Julie and I were not only the best little water maids the Kennedy Varsity Basketball team ever had, but we were very good friends. In 1973 I invited Julie over to my home to celebrate Christmas with our family. Tom was home on break from Subiaco and as my mom describes it, “Julie walked up the steps, their eyes met, and the rest is history.” I didn't lose a friend; I gained a future sister-in-law.

Tom and Julie would have celebrated their 42nd wedding anniversary this August 1st, but Julie lost her battle with cancer and died on my birthday, July 21st. I was so touched as I witnessed the unconditional loving care Tom gave Julie and the humility in which she received it.

Eternal rest grant unto her, O Lord, and let perpetual light shine upon her,

“ I started my banking career along side Julie in 2019. I still have the note she wrote me saying "Happy One Month Work Anniversary!" She added light and many laughs to my days while working with her. She always cheered me on and had the biggest heart. Wishing her peace and her family so much support and love! - Olivia Brouster
